16.06.2008 | AirBridgeCargo Airlines Appoints New Regional Director for Europe, Middle East and Africa

AirBridgeCargo Airlines (ABC), the scheduled cargo airline of Volga-Dnepr Group, is pleased to announce the appointment of Mr Ludwig Hamburger as Regional Director for Europe, the Middle East and Africa (EMEA).

Mr Hamburger has over 25 years of experience in the airline cargo industry, and prior to joining ABC was Regional Manager Europe for Air New Zealand. He will be taking up this new post in June.

Robert Song, Commercial Director – Global, commented: “The EMEA Region is vital to the continued growth and development of AirBridgeCargo. In recent months, we have committed significant financial and management resources to develop and implement the organization structure and sales strategy necessary to achieve our business objectives in the region. We are confident that we now have the right structure, right people, and the right leadership to strengthen ABC’s position in the EMEA Region, as the premium carrier to Russia and beyond.”
